

Your membership dues, monetary contributions and volunteer hours help support the Society's mission to collect, preserve and inspire interest in local history in many ways:

- Monthly membership meetings
- Preservation and maintenance of the Rich-Twinn Octagon House
- Displays and programs at the Knight-Sutton Museum
- Society newsletters

The Newstead Historical Society, organized in 1958, celebrated 50 years of historic preservation in 2008. Some of the Society's activities include the preservation and maintenance of the Rich-Twinn Octagon House, which has been placed on the National Register of Historic Homes, the collection, preservation and display of local historical artifacts at the Knight-Sutton Museum, the selection and registration of Century Homes located within our community, scholarships for Akron Central School students with an interest in history and the education of the community with history related programs.
